BVR's Guide to Healthcare Valuation

The valuation of healthcare companies is an increasingly challenging task, made even more so by ever changing legal challenges and regulations.

This timely and essential guide contains the most up-to-date information on physician compensation, buy-ins and buy-outs, intangibles, and other issues as they relate to the healthcare industry. Contributors to this important guide are some of the top experts in the country, including Mark Dietrich, Cindy Collier, Rob Reilly, Nancy Fannon, Don Barbo, and many others.
