

Big data for  
small businesses.

# BIZCOMPS

## CONSISTENT

- BIZCOMPS consistently reports selling prices (the selling price in each transaction includes only the value of fixed assets and intangibles)
- Bolster your research with the BIZCOMPS Analyzer, an Excel-based tool that computes valuable statistics and ratios from your comparable company group

## COMPREHENSIVE

- Covers transactions for over 500 industries, 21 data fields on 15,165+ transactions
- Access to the robust BIZCOMPS Companion Guide

## CURRENT

- Access to the BIZCOMPS/BVR Deal Review that summarizes and analyzes general trends, valuation multiples, and operating ratios
- Track current and historic and valuation multiple trends with detailed charts and graphs and get a detailed transaction report
