

Big data for
small businesses.

BIZCOMPS

CONSISTENT

- BIZCOMPS consistently reports selling prices (the selling price in each transaction includes only the value of fixed assets and intangibles)

COMPREHENSIVE

- Covers transactions for over 500 industries, 21 data fields on 16,135+ transactions
- Access to the robust BIZCOMPS Companion Guide

CURRENT

- Access to the BIZCOMPS/BVR Deal Review that summarizes and analyzes general trends, valuation multiples, and operating ratios
- Track current and historic and valuation multiple trends with detailed charts and graphs and get a detailed transaction report
