ktMINE

Direct access to royalty rates, full-text license agreements, detailed agreement summaries, and statistical analysis.

COMPREHENSIVE

Updated often, ktMINE provides access to tens of thousands of royalty rates and licensing agreements, including Patent Agreements, Copyright Agreements, Franchise Agreements, and much more.

COST EFFECTIVE

ktMINE users can:

- Run unlimited summaries, including royalty rate types for varying agreement types
- Search by keyword and filter by fields including industry, agreement type, and more

AUTHORITATIVE

Backed by actual real world licensing agreements, users get complete access to royalty rate data that is derived from licensing agreements only.
