

## Cost of Capital Professional Bibliography

BVR is pleased to offer the **Cost of Capital Professional**, a new resource for the valuation profession that is based on solid theory and empirical data. This new platform is authored by business valuation practitioner and academic Dr. Michael Crain (Florida Atlantic University). The following is a bibliography of related cost of capital articles and resources that provide a basis for the methodology used in the Cost of Capital Professional and may help to further build your knowledge base. Free trials of the new platform are available through 12/31/18 at [bvresources.com/ccprofessional](http://bvresources.com/ccprofessional).
