SINGLE USER LICENSE AGREEMENT

1. BVR grants you access to specific information in its online databases at BVLibrary.com, BVMarketData.com and BVResources.com contingent upon your agreement to all of the following terms. Please carefully READ THIS ENTIRE PAGE. This is a legal agreement pertaining to content accessed on BVR’s or any of its content partner websites as part of a paid single user or multiuser license agreement. Your consent to these terms is binding on you, your employer, and your fellow employees. If you do NOT wish to consent to one or more of these terms, do not proceed. By proceeding, you consent to all conditions of this single user license agreement (SULA) and limitation of warranty.
2. You agree that you may NOT, and may NOT permit others to log in with your user name or password, use, transmit electronically, download electronically or in hard copy, post to a database or to the internet, or otherwise reproduce in any fashion any portion of BVR’s information databases, except as expressly authorized in the next paragraphs of this agreement.
3. As the single user, you are authorized to download into electronic storage and to print hard copies of a reasonable number of pages for your personal or professional use for a project prepared by you for yourself or your direct client(s), but NOT for a project on which you are not involved. “Your direct client” is defined as the end user of your project results and NOT a third party client. Your client CANNOT be a firm or individual for whom you work that then delivers your work product to their client, a third party client. You agree that you will NOT attempt to download,

either in electronic or in hard-copy format, any substantial portion of BVR's information databases or content partner sites.

4. As the single user, you may NOT, distribute, modify, transmit, reuse, re-post, resell, or use the content or data from BVR or its partners, including text, images, audio, and video, for public or commercial purposes without BVR's written permission. You also may NOT use information from BVR or its partner's sites as the foundation for a tool, calculator or any other product that is developed for use by others and offered outside of your firm, whether or not for a commercial purpose. If you wish to pursue a license agreement to utilize BVR or BVR partner data for the purpose of a tool, calculator, or other product, please email your request to info@bvresources.com.
5. As the single user, you may use data from BVR databases or content partner sites in conjunction with preparing a valuation report, whether written or oral, prepared by you for yourself or your direct client. This includes such use to support a valuation report in deposition or trial testimony. You may NOT allow others in your firm to use data from BVR databases; this includes allowing one person to do research for fellow employees. If the subscriber has a research assistant, that assistant may do searches on behalf of the subscriber and deliver the results to the subscriber, but may NOT do so for anyone else. See top of this agreement for information on site licenses for multiple users.
6. BVR or its content partners may, at any time, revise this SULA. You will be required to agree with all revised versions, if any, before you are permitted access to the product again.
7. LIMITATION OF WARRANTY: BVR gathers its data from sources it considers to be reliable. Although we take every possible precaution in the preparation of the products we offer, BVR and the authors of the products we offer assume no responsibility for errors or omissions, regardless of the cause of such inaccuracy, non-authenticity, error, or omission. BVR AND THE AUTHORS OF THE PRODUCTS WE OFFER EXPRESSLY DISCLAIM ANY LIABILITY, INCLUDING INCIDENTAL OR CONSEQUENTIAL DAMAGES, ARISING FROM ERRORS OR OMISSIONS IN ITS PRODUCTS. FURTHERMORE, THE INFORMATION REPORTED MAY BE CONFIDENTIAL AND MAY NOT BE AVAILABLE FOR VERIFICATION IN SUPPORT OF LITIGATION.
